

THE ANTARCTICAN SOCIETY

Notice

The Antarctic Society takes great pleasure in announcing a lecture by Sir Charles S. Wright to be held in the lecture hall of the National Academy of Sciences, 2101 Constitution Avenue, on 18 September 1961, at 8:00 p.m.

Sir Charles will discuss his Antarctic experiences, past and present. He was a member of the Second Scott Expedition (1910-1913) and returned to the Antarctic on DEEP FREEZE 61. It seems particularly appropriate for Sir Charles to address the Society during the fiftieth anniversary year of Scott's journey to the South Pole.

There will be opportunity for discussion and to meet the speaker. The lecture will be open to the public and members are invited to bring guests.
