

THE ANTARCTICAN SOCIETY

Notice to Members

The annual garden party of the Antarctic Society will be held at Rippon Lodge, Woodbridge Virginia, on 23 May 1964 at 5 o'clock in the evening.

Refreshments will be available, and there will be a short entertainment featuring a penguin film by Dr. Sladen and a Russian film, showing the establishment of an Arctic draft station by the Atomic ice breaker, Lenin. Picnic clothes will be suitable attire.

Members are cordially invited to bring wives and guests. To assist in defraying the expense involved, a contribution of \$3.00 for each person present will be deeply appreciated. The elephant's foot will be prominently displayed.

So that those responsible for the arrangements may know how many Antarcticans to expect, it is requested that anyone planning to attend call DU2-1604 (gov't code 128-21604) and leave his name and that of any guests with the operator by the close of business Thursday 21 May. Replies by mail should be sent to Henry M. Dater, U.S. Antarctic Projects Office, 801-19th St., N.W. Washington, D.C. 20305.

A sketch map is enclosed showing how to reach Rippon Lodge. The attention of members coming from Washington or Alexandria is directed to the desirability of proceeding beyond Rippon Lodge to Valley Camp in order to turn around and approach with the gate on the right.

In case of rain the party will be postponed to 6 June 1964. If in doubt call one of the following before noon on 23 May:

Mr George Toney OL2-7948
Mr. Gerald Pagano JA7-3187
Mr. Walter Selig PO2-6878
