

## THE ANTARCTICAN SOCIETY

### Notice to Members

The annual Business Meeting of the Antarctic Society will be held in the lecture hall of the National Academy of Sciences at 8:00 p.m. on April 22, 1965. The Business Meeting will hear reports from the officers of the Society, elect officers and four members of the Board of Directors, and discuss such other matters as may be appropriate.

The Board of Directors has approved incorporation of the Society. A committee of the Board, with legal assistance, is currently engaged in drawing up the articles of incorporation and new bylaws. They will be referred to the membership for discussion and approval as soon as completed.

Following the Business Meeting, there will be a program presenting the highlights of the 1964-65 season in Antarctica. Rear Admiral James R. Reedy, USN, will discuss operations, and Dr. Thomas O. Jones will cover scientific developments. After the program, refreshments will be served in the Reading Room.

HENRY M. DATER  
Secretary-Historian
