

THE ANTARCTICAN SOCIETY

Notice to Members

The Antarctic Society is pleased to announce the first meeting of the 1965-1966 season to be held at 8 p.m. on the evening of September 28 in the lecture hall of the National Academy of Sciences, 2101 Constitution Ave., N.W. The occasion will constitute the Society's annual International Night at which one of the nations active in the Antarctic is honored and its activities explained.

This year the Society is honored to have as speaker the distinguished director of the Argentine Antarctic Institute, Rear Admiral Rodolfo N. Panzarini. In addition to an outstanding naval career, Admiral Panzarini, an oceanographer, is one of his country's leading scientists. His accomplishments have been recognized by the Scientific Committee of Antarctic Research of which he is currently Vice President.

His Excellency Norberto M. Barrenechea, Ambassador from Argentina, and members of his staff hope to attend. It is hoped that all members will wish to be present with their families and guests to honor our Argentine friends. The meeting will be open to the public, and members are urged to bring it to the attention of colleagues and other persons who may be interested. At the conclusion of the program, the usual social hour will be held in the Academy's Great Hall with light refreshments available.

This notice also calls to the attention of members that annual dues of \$2.00 are payable by October 1. Checks should be made payable to The Antarctic Society and mailed to:

Mr. Fred G. Alberts
Office of Geography
Department of the Interior
Washington, D.C. 20240

The mailing of your check provides an excellent opportunity to include a notice of a change-of-address, if such has taken place in the past few months.

HENRY M. DATER
Secretary-Historian
