

THE ANTARCTICAN SOCIETY

1619 NEW HAMPSHIRE AVENUE, N.W.
WASHINGTON, D.C. 20009

THE ANTARCTICAN SOCIETY

Will hold an open meeting at 8 P. M.

TUESDAY, March 10, 1970

at the

NATIONAL ACADEMY OF SCIENCES, LECTURE HALL
2101 Constitution Avenue, N. W.

The program will consist of two 16mm color films:

1. "Oceanographer in the Polar Regions" an award winning film, produced for the Oceanographer of the Navy, depicts the role of the oceanographer in the Antarctic and Arctic regions. This outstanding film has won awards at the San Francisco, Chicago International and Columbus, Ohio Film Festivals, as well as the International Film and Television Festival of New York.
2. "Passage to Prudhoe" is the film story of the epic voyage of the Icebreaker Tanker Manhattan through the Northwest Passage to the oil fields of Alaska in August and September of 1969.

Both of these films have been widely acclaimed for their exceptional photography and their showing should provide an enjoyable evening of entertainment.

Members, their families and all persons
interested in Antarctica are invited to attend.

Refreshments will be served in the Great Hall after
the meeting.
